

Blazer Times

Volume 2, 2025

Notes from the President's Desk

Hello ABHA members!

I know how my husband and I are personally affected by this amazing breed of horses daily and I also have close friends that share their adventures with us as well. I would love to be able to reach out to you, the members, and discover what owning a Blazer has done for you!

Our publication and our calendar give us an opportunity to know more about our fellow Blazer owners, but we are always searching for that connection between horse and rider, or horse and owner. Please reach out to us on Facebook messenger or our website email so that we can introduce ourselves and get to know you.

We are looking forward to our upcoming horse shows, trail riding, exhibitions, parades, and any other activity where our Blazers have a chance to shine! Our exhibitor and points forms can be located on our website.

In closing, lets look past the rainy spring weather and into the best riding months ahead!!

Thank you for your support of our Registry!!

Crystal Tonto

Saturday, August 9 following the Tiple B and Sunday,
August 10, 2025. Hosted by Red Top Stables
11875 W Manitoba Ct, Post Falls, ID 83854

This is a weekend for all of you horse lovers to come
and have fun!

A Story of Kyper & Miss T McGee

This is a little story about Miss T McGee “Miss”, a 13.2 hand American Blazer horse and her little girl best friend. A few years back this 13.2 hand American Blazer mare, we call her Miss, (owned by Karenia Twidt, Kyper's grand mother) was a perfect age at 9 years old and Kyper at age 8 years old, to start competing in omaksee and barrel racing. With the unfailing support of family and especially Kelsea, Kyper's mother, they worked thru the grit and tears to come out on top and win some buckles!

Barrel racing and omaksee are horse racing sports that require both horse and rider to work together at fast speeds. Barrel racing is not just about speed. Your horse needs to trust you and needs extensive training and practice on the pattern to learn the timing of turning barrels and flying lead changes. Meanwhile, the rider needs to compose themselves correctly and give the horse all the right signals.

When they first started out, Kyper was just a young girl learning herself, and Miss being new to the sport was afraid of barrels and cows. So you can only imagine how their first year of barrel racing went! That first year on barrels was full of refusals from Miss and tears from Kyper.

Kyper continued to work with Miss and they became quite a team competing in the youth division. They practiced countless hours and Miss, with her muscular build and athletic abilities quickly turned that speed and athleticism into tight turns and great times!

Kyper and Miss' most recent achievements include: 1st place in their age group at the Kootenai County Saddle Club series in 2023 and 2024. 1st place in PDIA Series in 2023. 1st place at Black Rock Barrel Race in November 2023. 2nd place at the Desert Run Barrel Race in October 2023. 2nd place in the Coeur d'Alene Barrel Race in June 2024. They were 3rd place over all in 2024, mares age 4 through 15, for the American Blazer Horse Association.

Kyper and Miss have an incredible bond and they have worked through many trials and errors to get where they are today. They are the true meaning of persistence and determination. Their journey over the years has been a joy to watch! This team is proof that good things come in small packages. Miss, the 13.2 hand American Blazer horse has speed that no one could imagine and she trusts Kyper enough to give it her all every time!

What Is A Blazer Horse?

To be considered a Blazer Horse, the horse must have at least one registered parent with a documented line to the foundation stallion “Little Blaze”.”

Blazer Horses must be between 13 hands and 15 hands at full maturity to be registered.

Blazer Horses must have a solid coat color with dark underling skin. These colors include brown, black, bay, and sorrel, as well as buckskin, palomino, and many shades of dun.

White markings are limited to the face and below the knee or hock. Spotted coat patterns (Appaloosa, Pinto, Paints) are not accepted into the registry.

To be advanced into the Stud Book, both mares and stallions must be inspected by a veterinarian or certified field inspector.
